GOT WOOD!

Bloke crafts massive penis-tree

IF DRAWING a cock on something is funny – and we reckon it's HILARIOUS – then GROWING a six-metre-high one is fucken SIDE-SPLITTING.

Pommy tree surgeon Chris Bishop has done just that, trimming a cypress pine in his front garden in Bromsgrove, Worcestershire, to resemble a GIANT GREEN PRICK.

His motive wasn't to PISS PEOPLE OFF, although apparently he's achieved that.

No, he only wanted to give folks a CHUCKLE.

"I don't want to offend anyone, I just want to make them smile," said Chris.

But already some neighbours have complained to the local council about Chris's big, leafy TOOL.

That's just got Chris FIRED UP even more – now he's planning on creating a giant set of BUSH NADS to go on either side of the tonky tree. ■ Picture

...en ARSE

THEY say that everything is bigger in Texas – the cattle, the hats, the silicon tits on the chests of the oil-billionaire's wives.

They never mention porn star's butts, however, and that's a very serious oversight.

So let's put that right by acknowledging that Alexis Texas has the BENCHMARK BUTT in the business. It is the industry standard by which all other arses are judged.

The bubble-butted blonde from San Antonio has come a long way since she first rooted on camera back in 2008, so we thought we might retrace that momentous journey through the words of the gal herself.

Alexis, on shooting her first porno:

"I think I had my hands over my breasts for the majority of the scenes, but it's like Pringles, once you pop you just can't stop."

On her award-winning arse:

EXPLORE THE DEEP SOUTH!

“I JUST LOVE COCK IN GENERAL”

"I've had this ass my entire life. I just kind of tweaked it to enjoy my sexuality and make the boys all go crazy."

Her favourite possie:

"Cowgirl! I love having control of the cock and bouncing my big booty on it!"

Her favourite kind of raunchy sex:

"When I have sex with a man and a woman, because I get to have my cake and eat it, too. It's kinda like the best of both worlds."

Cocks – cut or uncut?

"I just love cock in general. I don't judge."

The bigger the better?

"For me personally, I don't think size matters. I mean, you have to have

something to work with, but it's not the size of the boat, it's the motion of the ocean, baby!"

Worst day on set:

"I would have to say if they cum in your eye, that's the worst!

The future:

"I have started directing/producing and I really enjoy it! It's a new chapter in 'porno-land'. I'm pretty excited. I kind of want my fans to know my other creative side with all of my perverted thoughts. I feel like it's the next chapter. I've been in the business for quite a while and I feel like it's just the right fit." ■ Picture

BUUUUURRPP!

A VISIONARY Northern Territory hero has put Oz at the top of the World's Loudest Burp rankings. Humpty Doo champion Neville Sharp is claiming an eye-watering 110.6 decibels for a burp during a BURP-OFF at his local. For you ignorant bums out there, that's louder than a chainsaw but quieter than a fighter jet. Nev worked up to it using lots of Coke, cold water and a "permanently full beer fridge." He beat the previous record by a 0.7 of a decibel.

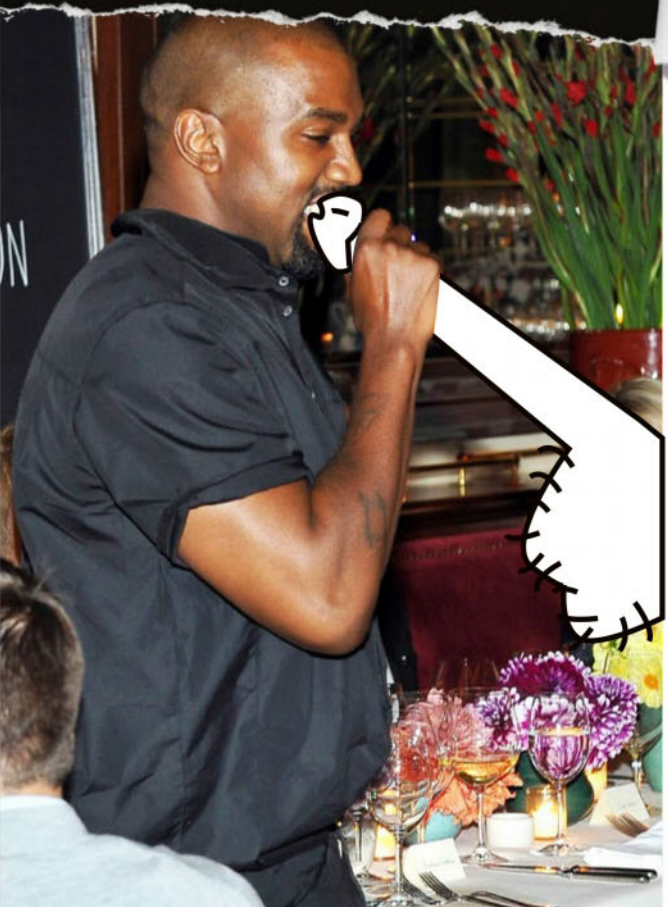
#263 WE DREW A COCK ON IT



THAT'S WHY!

WHEN us blokes stick our hands down the front of our pants, we're not being UNCOUTH LOUTS, we're just being all biological and that. Apparently it goes back to caveman days. According to Vanessa Van Edwards, author of *Human Lie Detection and Body Language 101: Your Guide to Reading People's Nonverbal Behavior*, when a cavebloke constantly kept his junk covered against attack he'd be more likely to be king of the cavemen and have many babies with the caveladies. Plus holding your dick and nuts releases fancy hormones that make you feel good. So hold them. Hold them TIGHT.

BOOZE BUS

PUBLIC transport in our estimation went from being a bit on the nose to FUCKEN ESSENTIAL. Imagine catching the bus from work and being able to slam down a few coldies on the way. Or to work, for that matter. Whatever. You won't be able to on this one, though, because it's not that kind of bus any more. It's a 1960s Pommy Routemaster double-decker that this bloke, Peter Sonneveld, bought when it got chucked for more modern buses and converted into a travelling bar. But seriously, wouldn't this be ace for your morning rum 'n' cornflakes?

MONKEY SEE, MONKEY FUCK

THEY probably told Pommy fashion model Cecilia Kallin it was going to be real classy shoot in Jaipur, India, with a stylist and flowers in vases and some nice cardies and sunglasses to wear. And then they brought in the monkeys... Well, monkeys – what would you expect? Next thing, they're playing who's the daddy in the background and Cecilia is wondering if her agent can get her on an earlier flight. It's the sort of thing that usually happens at PICTURE shoots...

ON THE HOUSE

It's a hard place to live.

THERE'S a house for sale in merry ol' Surrey, England, that's got the entire country SHITTING THEIR PANTS at its hilariousness. Deadset, they reckon it's the funniest thing since the YouTube video of drunk ducks crossing busy roads. The house is in Fetcham, and the address is – wait for it – 69 Cock Lane! Yep, for a mere 449,950 pounds you could be Count of Cock Castle, Duke of Dicklands and the Marquis of Mutton-Dagger Manor all rolled into one. Apart from the sheer prestige of the address, it also has three bedrooms, a patio out the back and off-street parking.

HE DA KING!

A CRAZY Pom who changed his name by deed-poll to Bacon Double Cheeseburger has no regrets and reckons he's happy to go through life as Mr B.D. Cheeseburger. The 33-year-old numbskull formerly known as Simon Smith got the idea while he was – and this won't come as a surprise – on the piss with his mates. "It was largely the most ridiculous thing we could think of," Bacon said. "My friends were quite supportive of anything that makes me look silly, as good friends are." Good to his word, and probably still pissed, two weeks later Bacon followed through, filled in the forms and is now known to his health care professionals as Mr Cheeseburger.

WALK THE PLANK

Aussie surfer takes on mega-wave – and lives!

IF HAVING a wave the size of an office building kick you up the arse is your idea of a good time, then Nazaré, Portugal, is for you.

Big-wave surfers from all around the world go there to ride the monsters that come fangin' in outta the Atlantic, hit the off-shore reef and kick up big time.

Sandgropers Jarryd Foster and Mick Corbett were there recently to give it a go, taking turns to tow each other out and climb onto some of the biggest waves in the world.

And while watching these danger-junkies is pretty popular, there weren't too people many in the water.

"The cliffs are usually packed with heaps of people and photographers, but the line-up is always empty," said the GIANT-BALLED Corbett.

"Like all big wave locations, you always have a wipe-out or two. The currents are also very strong and can hold you down for ages."

Luckily, Foster managed to ride this 30-metre wave without dying or anything. Good on him, eh. Picture

SINNERS ARE WINNERS!

These righteous rooters took home some top gongs at the porn Oscars

EWM, Curtis Isom, pictureboi/Emmereport, Digital Playground

Best New Starlet: Abella Danger

Having only started her career in late 2014, Abella fucked her little heart out throughout 2015 to win the best rookie gong. Is there no stopping this dick-lovin' dynamo?

RIGHT up front can we just say that EVERYONE at the 2016 AVN awards – the Oscars of porn, no less – were winners.

Erm... apart from those who lost, but, y'know, FUCK THEM.

At the Las Vegas Hard Rock Hotel, with Joanna Angel and Anikka Albrite hosting, the industry's best and brightest, not to mention its DIRTIEST and SLEAZIEST, showed up to see who would take home the shiny gold statues.

There were about a TRAZILLION award categories, so we won't bother with them all, but here are a few of our favourites. Picture

Female Performer of the Year: Riley Reid

Just four years into what promises to be a stellar career, Riles won the big one this year for her body of work. And what a body! She also shared the gong for Best Girl/Girl sex scene with Aidra Fox.

MILF Performer of the Year: Kendra Lust

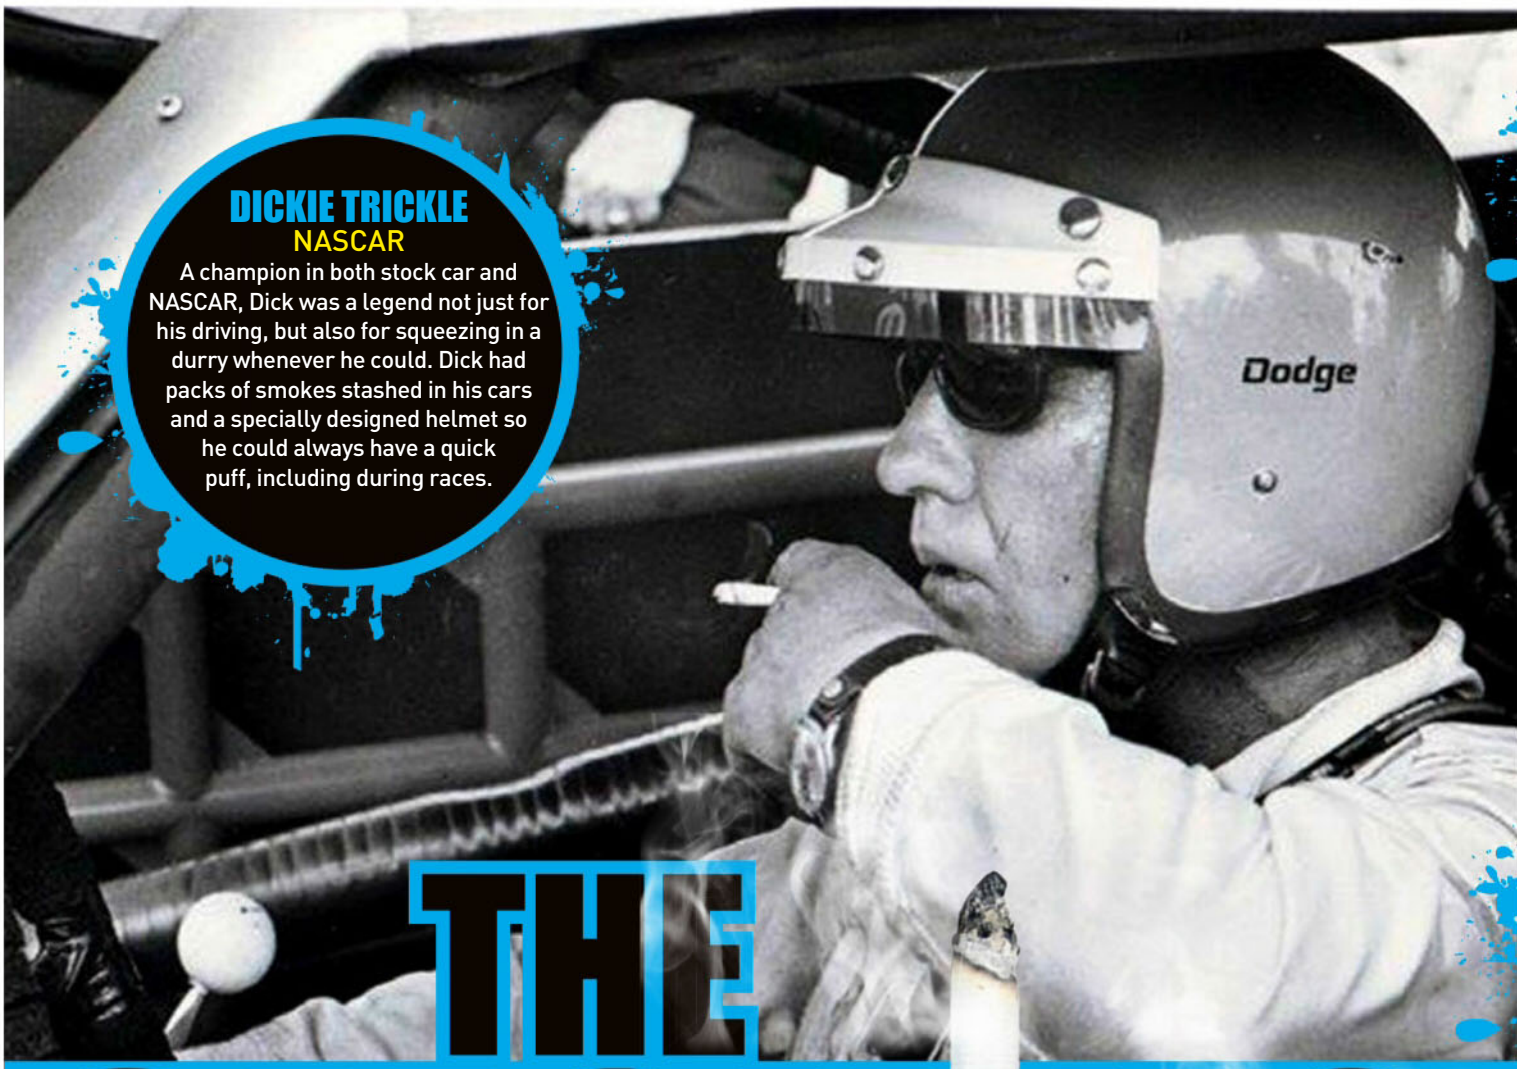
Ex-nurse Kendra, 37, has made the MILF genre her own this year. Not only did she take out this one, she also won the fan award for Hottest MILF, so she's popular with both the critics AND the fans.

All-Girl Performer of the Year: Shyla Jennings

Although born in Germany, Shyla is yet to be filmed wrestling with a WEINER after seven years in the biz. On screen at least, she rigorously sticks to her preferred diet of fish tacos.

Best Oral Sex Scene: Angela White

Oz's own porn goddess slayed 'em at this year's awards, picking up this 'un and sharing one for Best All-Girl Group Sex Scene with Alexis Texas and Anikka Albrite. Both were for her self-directed flick, *Angela 2*.



DICKIE TRICKLE
NASCAR

A champion in both stock car and NASCAR, Dick was a legend not just for his driving, but also for squeezing in a durry whenever he could. Dick had packs of smokes stashed in his cars and a specially designed helmet so he could always have a quick puff, including during races.

THE SMOKING GUNS

Sporting legends who loved their durries

CIGARETTES – remember them? They used to be pretty popular, and then everyone discovered they were all cancery and that.

Now they cost about the same as a bottle of bourbon for 20, and come in dung-coloured packs, so they ain't so cool any more.

Sporty people weren't supposed to smoke, 'cos it makes you wheeze and cough up big gobs of phlegm, but even so, quite a few major sports stars were big fans of a dart.

Here's some famous ones who enjoyed a puff. Picture

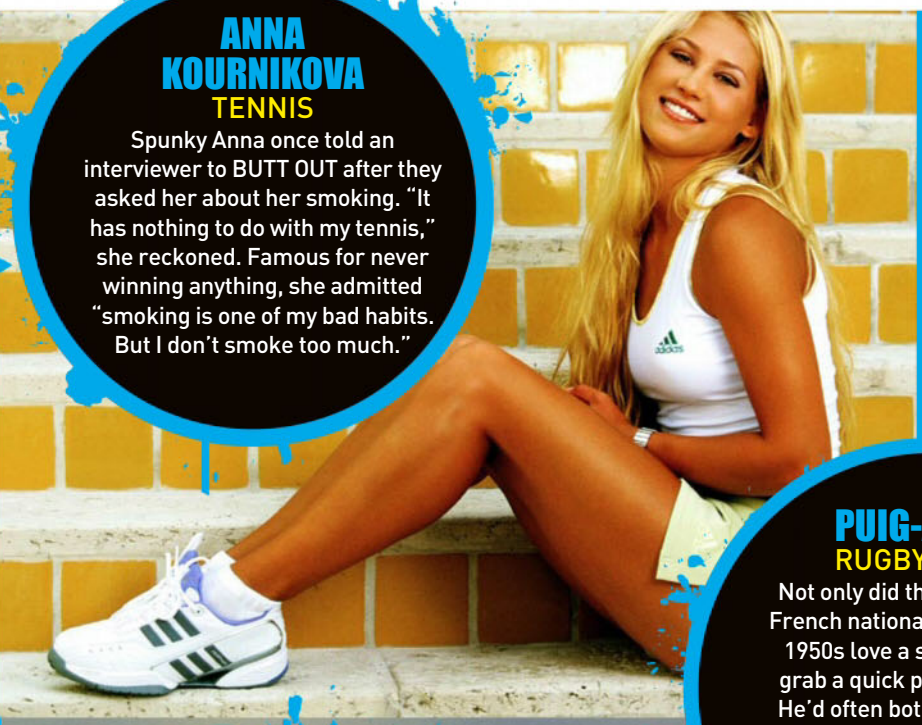
JOHN DALY
Ggolf

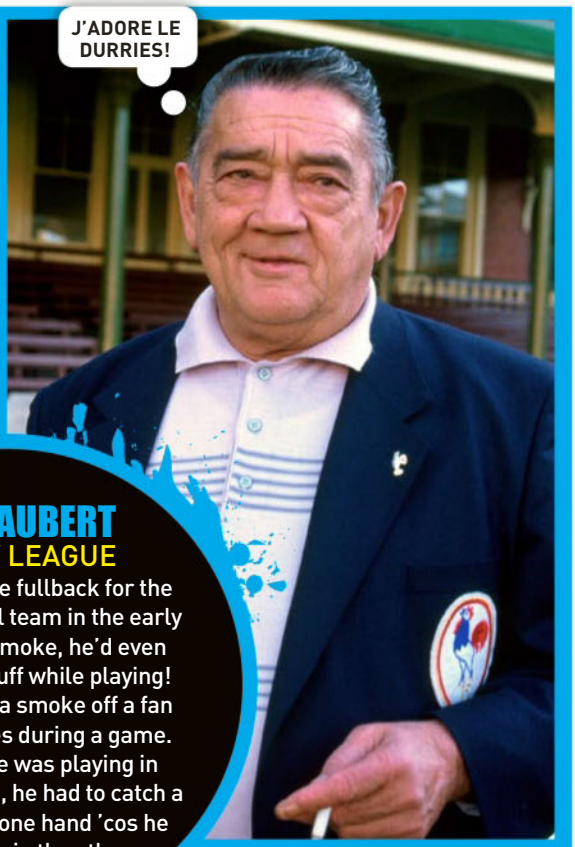
Even after he pegged out with a collapsed lung during a minor tournament in August last year, there was still no need to give up the darts, according to Long John. "They thought I had a heart attack. But I only smoke two packs of cigarettes a day, not three, so I'll be alright."

Getty, Splash

ANNA KOURNIKOVA
TENNIS

Spunky Anna once told an interviewer to BUTT OUT after they asked her about her smoking. "It has nothing to do with my tennis," she reckoned. Famous for never winning anything, she admitted "smoking is one of my bad habits. But I don't smoke too much."



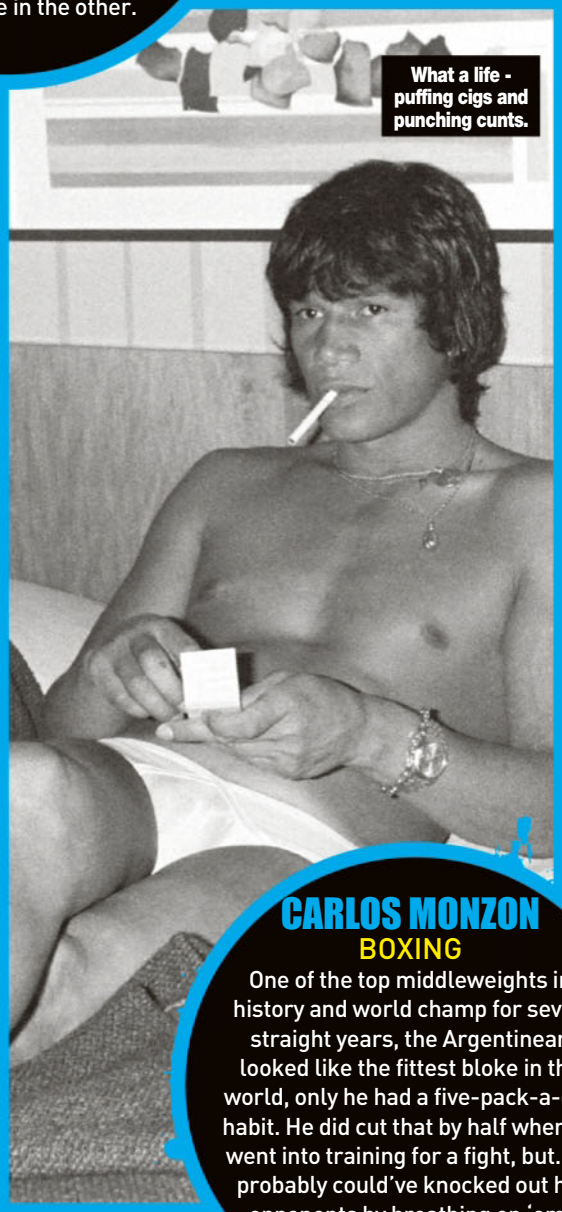


PUIG-AUBERT
RUGBY LEAGUE

Not only did the fullback for the French national team in the early 1950s love a smoke, he'd even grab a quick puff while playing! He'd often bot a smoke off a fan on the sidelines during a game. Once when he was playing in Wigan, England, he had to catch a high ball with one hand 'cos he had a ciggie in the other.

SHANE WARNE
CRICKET

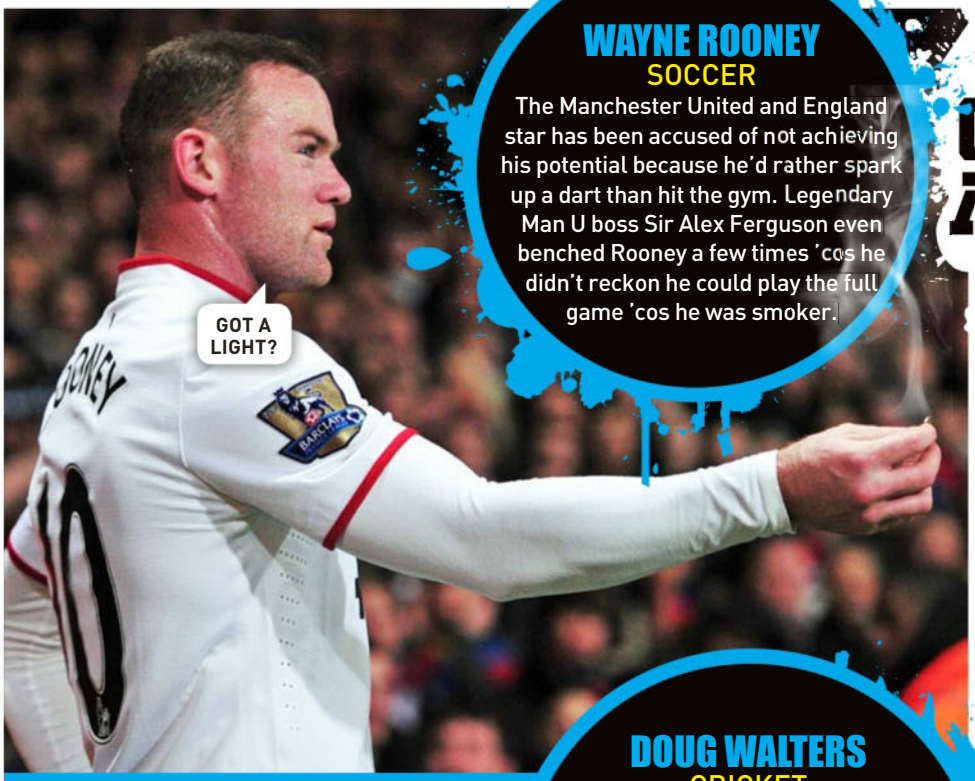
Warnie loved a gasper – about 40 a day, apparently. Even after he took sponsorship from a nicotine chewing gum company and said he had quit, some kids snapped a pic of him lunging one back at a game in New Zealand in 2000.



CARLOS MONZON
BOXING

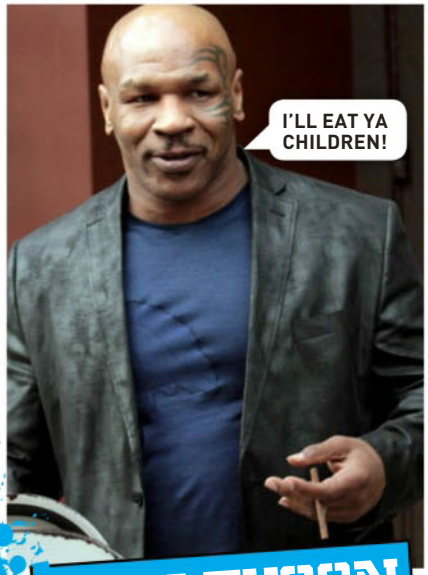
One of the top middleweights in history and world champ for seven straight years, the Argentinean looked like the fittest bloke in the world, only he had a five-pack-a-day habit. He did cut that by half when he went into training for a fight, but. He probably could've knocked out his opponents by breathing on 'em.

CIGAR CHUFFING ATHLETES



WAYNE ROONEY
SOCCER

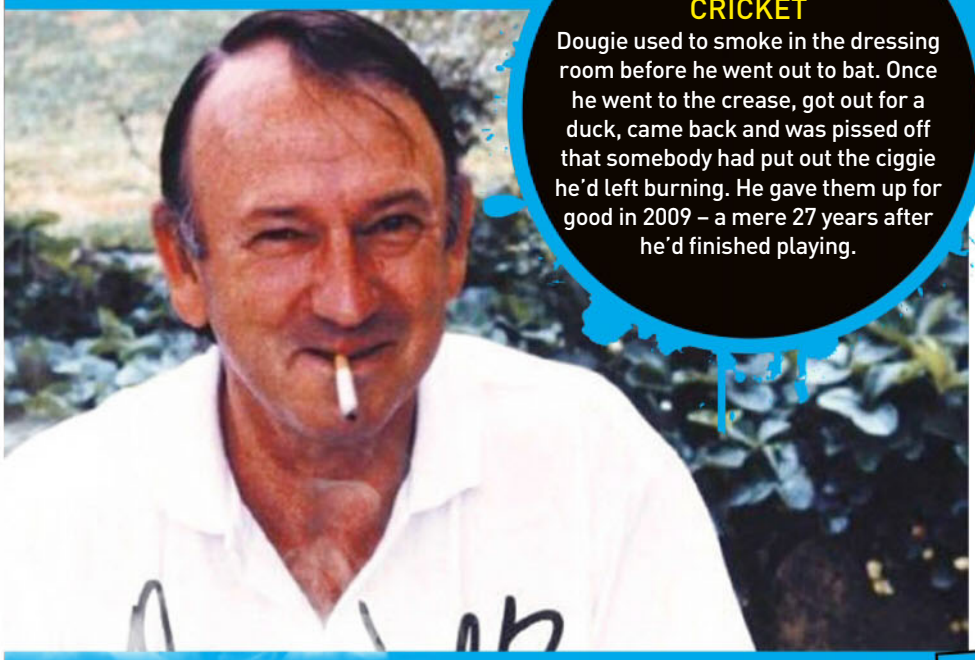
The Manchester United and England star has been accused of not achieving his potential because he'd rather spark up a dart than hit the gym. Legendary Man U boss Sir Alex Ferguson even benched Rooney a few times 'cos he didn't reckon he could play the full game 'cos he was smoker.



MIKE TYSON

DOUG WALTERS
CRICKET

Dougie used to smoke in the dressing room before he went out to bat. Once he went to the crease, got out for a duck, came back and was pissed off that somebody had put out the ciggie he'd left burning. He gave them up for good in 2009 – a mere 27 years after he'd finished playing.



MICHAEL JORDAN

BRADLEY WIGGINS
CYCLING

You'd reckon someone in the lung-busting sport of cycling couldn't afford to take even a little puff, but the pommy 2012 Tour de France winner is fond of the odd coffin nail. Maybe his basketball-sized lungs are big enough to take it.

ARNOLD

MISS POONIVERSE

Castelle is officially Oz's HOTTEST stripper

WE RECKON all strippers are winners, but just like in life, some are bigger winners than others. And only one of them could walk away with the top gong of Miss Pink Erotica 2016... and that stunna was 24-year-old Castelle.

The event took place at The Pinkenba Hotel in Brisbane, where punters CRAMMED themselves from SHITTER to BARTOP in an attempt to cop a look at the very best in clothing removal specialists in the country.

After we'd slammed our cocks in a door-jam for half

WWW.BODEMODELS.COM

MISS POONIVERSE

an hour, we managed to GO BEHIND THE SCENES with the BREAST & FAIREST and see what she had to say.

Congrats on winning Miss Pink Erotica. What was your performance?

"Well, it's a dancer/show-girl/stripper competition so I did a playful sexy cowgirl routine."

Very nice. How does it feel knowing you're up on stage giving the audience RAGING STIFFIES?

"Exhilarating! It's actually pretty empowering."

What's your fave thing about performing?

"I always feel so sexy and unstoppable during my performance, I still get nervous before every stage show but I

don't think that will ever go away."

Any blokes in the audience ever done anything CRAZY?

"I've had everything from guys pulling their dick out to trying to climb up on stage, but my most memorable would have to be this guy dressed in a tuxedo that came and sat down at the stage and pulled out a gun – a money gun! He then covered me in 20 dollar notes!"

What's your sexiest routine?

"It would have to be a private routine I'm still working on. It's Japanese geisha themed, I start off wearing a silk geisha robe with Japanese fans made of flash paper, so they light on fire as they open, and a vase of bath milk which I slowly pour over my naked body."

Moo! How should a bloke approach a stripper if he fancies her?

"Confidence is key! But don't be sleazy, at the end of the day girls working in strip clubs get hit on more in one night than you probably have in your whole life (no offence) so do something different and make her laugh."

And if it happens to be you, what's your fave FUCK POSSIE?

"Reverse Cowgirl!"

Yee-haw! Picture

Melbourne Cup

Gotta be champagne, but instead of that pricey frog shit, make your own – white goon with an alka seltzer in it will do the trick. And ladies, wear half a pie on your head for a hat.

Queen's Birthday

Anything to do with the royals, I reckon gin's the go, in honour of the Queen's mum, who was pickled in the stuff. I've heard it goes great with hair tonic so mix it with some of that stuff Warny flogs.

The classy guide to special occasion drinking

Acquitted on all charges

Head into the nearest pub to the courthouse, order a shot of everything from the top shelf all in one glass, Chug it, then go out and get into more trouble.

G'DAY. Giz a banana-and-durian daiquiri with white chocolate sprinkles in a specimen bottle with eight straws. Fuck ya then.

Carl here, and I wanna give youse a heads up about bein' a bit classy with your choice of drinks.

Any bum can squeeze the last drops out of a bag of goon and call it a party, but it's good to go upmarket when the occasion calls for it.

Something weird, drunk out of an old football boot is all the go according to those hipster cunts, so get trendy while you get pissed with your ol' mate Carl! ■ Picture

New Year's Eve

Whatever you can nick while everyone's busy playin' tonsil hockey with someone else's missus. Pour a mixture of everything in the fridge into a extra large take-away coffee cup and try to act casual, like ya brung it with ya.

Ned Kelly's Birthday

The best thing about this is, because nobody's really sure when Ol' Buckethead was born, you can lash out whenever you like. Rum, naturally, in a metal bucket garnished with a whole pineapple on the side.

Australia Day

Whiskey, Cheezels and sheep dip, strained through a blue singlet into a cup made from a wombat's skull. Stir gently with kangaroo paw swizzle stick, sing first verse of Advance Australia Fair then throw up on ya thongs.

Grand Final

Whatever code you follow, you wanna get your angry on, so I recommend vodka and red cordial. Drink it out of a toddler's sippy mug so you don't spill it when you go berko with rage.

Grandmother's funeral

Sherry, in honour of the old bag. Anything from the Micky Williams range of two litre flagons – sweet, dry, or cream – will do the trick, blend with lemonade if ya really wanna be ritzy about it.

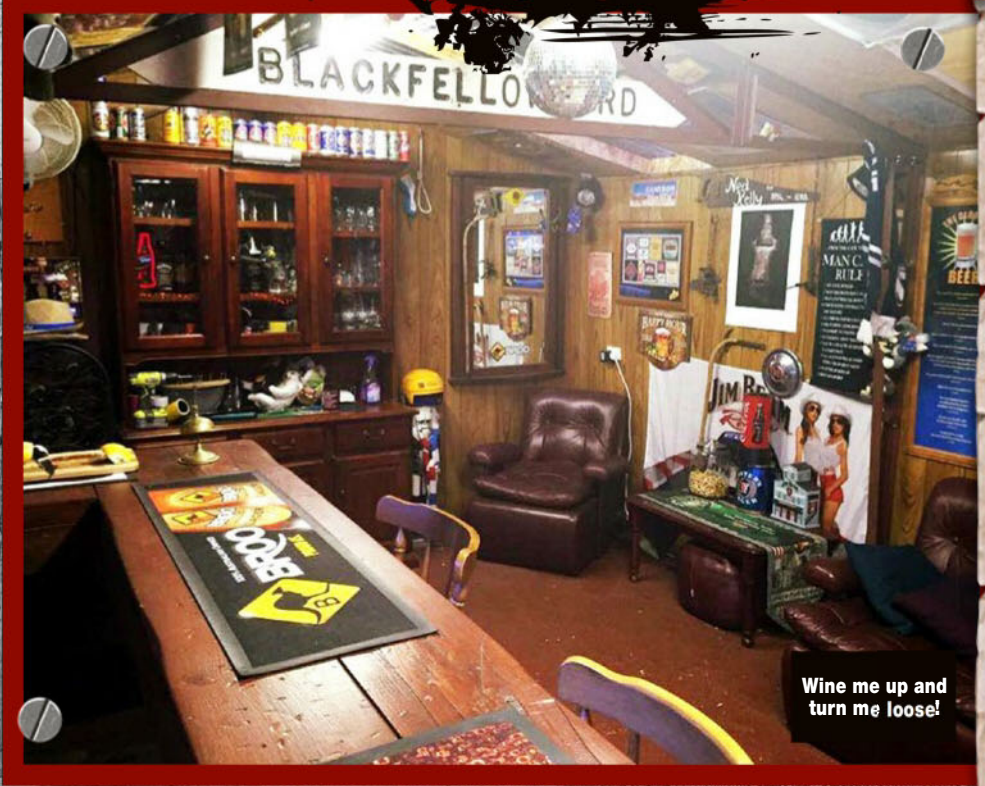
WHO:

Brad Hocking, 37

WHERE:

Bacchus Marsh, Vic



Wine me up and turn me loose!

HOW LONG IT TOOK TO BUILD: It took about four years, from literally the day that I bought the house to the present. I set up two camping chairs and a dartboard initially.

FAVOURITE FEATURE OF SHED: I'd say, having a bar that runs from inside the shed to the outside, via a large window. It's so the smokers can hang outside, but still have a conversation with someone inside.

SHED MOSTLY USED FOR: Socialising. It's for adults and kids as well.

BEST THING EVER TO HAPPEN IN SHED: Easy. We've had a lot of great parties here, for Australia Day and New Year's Eve, but probably the absolute best was the engagement party. We set that up, utilising the shed and the whole backyard. It was spectacular.

WHY I LOVE MY SHED: I love entertaining and socialising. I go out there, light the fires and generally, sit around watching country music DVDs. Slim Dusty's a big favourite.

TRUCKEN' HELL!

HE'S only a relative newbie to the sport of ute racing, so we'll let rookie driver Christopher 'Ding Dong' Bell off with a raised eyebrow and a "what the fuck was that all about?" after this spectacular bit of bingle-isation at Daytona Speedway. Ding Dong flipped his number four Toyota about 10 times after he lost it during the NASCAR Camping World Truck Series season opener. The 21-year-old was a bit rattled, as you would be, but managed to walk to the ambo, which whizzed him off to hossie for a bit of a lie down. He had a nice snooze overnight and they let him out the next day. When asked for an explanation for the accident, Ding Dong allegedly replied: "Race? What race?" The Toyota didn't fare too well, but they were hoping to make a nice ashtray out of what was left.

Talking Dirty

100% uncensored sex advice from Australia's hottest stripper!

DRY PATCH

TRIN, if I'm all out of lube, is there any household items that I can use instead? Does olive oil work? Have you tried anything aside from the lube you buy at sex shops?

D.C., WATERFORD, SA

TRINITY SAYS: ***Anything natural, I would suggest, and don't use too much. However if you're doing it right mate, you shouldn't need lube. Work on your game too!***

LEVEL UP!

MY MISSUS and I have been discussing getting our sex life to that next level of excitement. We're not like super vanilla or anything, but we'd really like to change things up a bit. We don't want a threesome and we both don't like having things in our butts. What do you suggest we try, Trin?

K.P., SOUTHBANK, VIC

TRINITY SAYS: ***Why don't you try some role play? Like going out and pretending to meet, as whatever fantasy character you choose, then go back to a hotel or crazy location. Sometimes just stepping out of your regular lives and surroundings can really boost the excitement.***

LIFE OF TRIN

HEY! I'm a super big fan of yours, Trin, and I love hearing about your stripping life. Would you be able to just tell me a sexy, crazy story that happened to you recently? Sorry, not really a question!

D.B., ST KILDA, SA

TRINITY SAYS: ***Well, I've been traveling these last couple of years taking a break but I still have some epic stories of threesomes and times I've dressed my friends up in my costumes and made them dance for me which was fun. I think secretly everyone has a little Stripper inside of them.***

WHAT'S ON THE BOX?

I'M REALLY keen to watch porn with my girlfriend, but I don't think she's very interested. I mentioned it before and she seemed quite offended, as if I thought she wasn't hot enough or something. How do I explain to her the benefits of watching porn while fucking? But first, are there any benefits for women?

mate! Loads of women love watching porn, some even more hardcore than men do. I'd put it on before she gets home, then when she walks in, nicely ask to sit and watch a bit. Be sure to talk dirty to her while she does and be encouraging. That way she'll feel it's about her and not someone else.

THE NOLL GOAL

WHEN my wife and I first got together we had this little joke in which we both got a free pass to root a celebrity if the opportunity ever arose. She chose that Aussie Idol bloke Shannon Noll and I chose super babe Angelina Jolie. Now it turns out Nollsie is touring at my local in a couple weeks and she wants to go down and try her luck! What should I do, Trin? Should I go punch the goatee off this bastard? Or let my lady have a crack 'cos, y'know, fair's fair?

STUART, CARRINGBAH, NSW

TRINITY SAYS: *Let your lady have a crack, mate - you made a deal. It's only sex - she loves you, remember that! You'll kick yourself if Ange ever came and you couldn't give her a crack. So chill, be encouraging!*

GOLD-DIGGER!

SO I'VE been dating this older guy recently. We've been to dinner a bunch of times and had sex a bunch more. Honestly though, I don't really like him that much, but he's really rich, so I feel like it'd be a smart move to get with him before he dies and then I could set myself up in life. I have a big problem now though, he wants to meet my parents and I'm really nervous. I'm 22, he's 79, and my parents are both 48, so he's more than 30 years older than them! Should I just delay the meeting and hope he carks it soon? Or face the music and get him to meet my Dad?

GEORGINA, NEWPORT, NSW

TRINITY SAYS: *Wow! Shallow, money-hungry, heartless bitch. Are you that desperate for cash!? If you cared one bit about this bloke you'd make his last days the best ever and do what he wants. At least earn the cash. Doesn't matter what you do, it will come out exactly who you are and what you've done. Be proud and own it at least.*

TRINITY'S SEX TIP

IF YOU'RE gunna have a crack at your lady's backdoor, make sure you talk about it with her first. Don't go slipping it in without her knowledge. Trust me, she will NOT like it. Also, there's this great stuff called lube - use it!

STRIPPER TIPPER

G'DAY Trin, how's it going? I was at the strippers the other night and really fancied this one cute blonde bird. I know it's a bit lame, but I really liked her and we seemed to get along when we chatted. How do I go about asking her out without seeming like too much of a creep? Cheers.

STEVE, DARWIN, NT

TRINITY SAYS: *Just ask. If she's genuinely keen she'll go. If not she'll politely fob it off. 'Cos believe me, most guys fancy strippers in some way, shape or form and if they're single they'd date one if they had the chance.*

PUBLIC EXPOSURE

HEY Trin, my wife and I recently had sex outside for the first time and it was a real rush! Now we wanna move on to something a bit more extreme. How can we get involved in swingers clubs or things like that? And do you get many hot chicks at these events or just old guys? Have you been to swingers clubs?

JACK, GLADSTONE, QLD

TRINITY SAYS: *Yes I've been to swingers; they have big theme nights and parties all the time with loads of different types of people. You don't have to fuck everyone - you can pick and choose who you like. That's the best part. Trust me, you'll have a great time!*

A NIGHT TO REMEMBER

IT'S approaching mine and my husband's twentieth wedding anniversary and I'd love to do something special for him in the bedroom. Have you got any ideas, Trin? Is there some new fandangled sex thing from the internets that the young kids are doing nowadays? Thankyou.

ROSE, GLENELG, SA

TRINITY SAYS: *How about this - you take him somewhere different, dress up really nice and use a bunch of cool sex toys. And then if you're really game, have a third party come in, not necessarily for sex, but maybe to give you both a sexy massage or do a strip show for you both. Enjoy!*

HE'S FEELING A LITTLE BUMMED

PEDRO here probably woke up this morning, rolled out of bed, pulled on his purple spandex duds and drank a nice big glass of SANGRIA to prepare him for another day of VICIOUSLY STABBING bulls in the back.

Y'see, Pedro isn't even a real matador, the matador is the guy who waves his little flag around winding the bull up to charge at him, Pedro is what you call a 'banderillero', the right-hand-man to the matador whose job is to poke the bull with sharp sticks while he's being distracted by the bloke with the flag.

Things took a bit of a turn though when the bull, all PISSED OFF from being jabbed in the neck, set his focus on old mate and not the colourful flag.

With steam puffing from his ears and blood SPOUTING from his neck he charged at the purple-clad Spaniard who did his best to clamber over the wooden barrier to safety.

But his best was not good enough and when the furious bull saw his brightly coloured little buttocks hanging from the fence he just couldn't resist himself and shoved his horn right up inside where the SUN DON'T SHINE.

How good's KARMA, eh Pedro? Oh yeah, and we've got one more thing to tell you – GET UP YA SOOK! ■ Picture

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done a-big-poo stuff, just my usual classy shit. It's at:

GOBBLE ME

G'DAY Mungo. Just sending you a pick-up line I used to use many years ago. I would walk up to a girl at the bar and ask her if she'd like to go on a turkey shoot. When she asked where, I'd reply, "Over the road in the park. You gobble and I'll shoot!" Can't ever remember getting a root out of it but I did get me face slapped a couple of times.

I.O., AUGUSTA, W.A.

MUNGO SAYS: Smooth. You got off light with just a slapping. That's grounds for a kick in the nuts, no question. Still, if one said yes, she'd definitely be wife material.

SAY GOOD KNIGHT

HI MUNGO, the worst pick up line I have ever heard was delivered by a mate of mine down at a Newcastle bar some years ago. He went up to a girl with large tits and said "I bet you don't get your feet wet in the shower, love." The bloke's still a virgin and supports the Knights, so you can imagine what a miserable bastard he is.

P.M., LABRADOR, QLD

MUNGO SAYS: I dunno, that's not so bad. Some girls spend a lot of money on their tits, so you'd reckon they'd appreciate a comment on them. But he's a Knights supporter, you say? That could be the problem right there. Isn't there some sort of pill he could take?

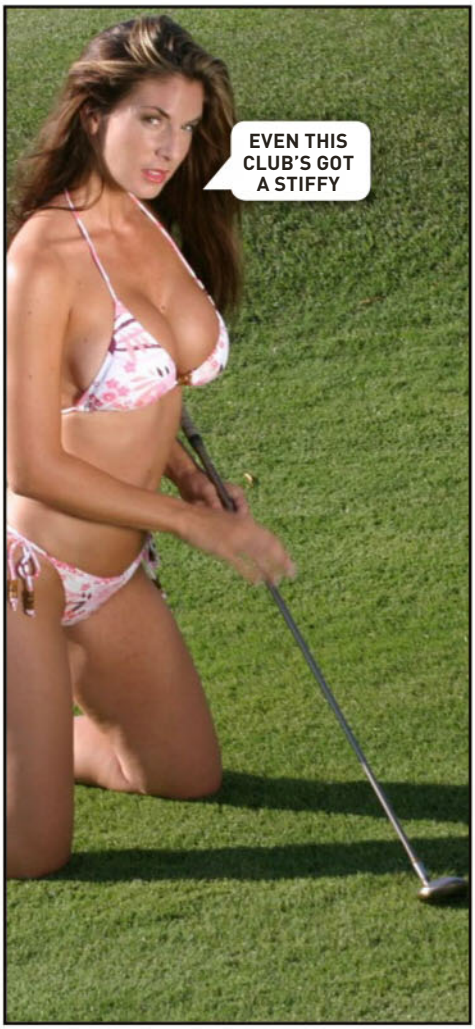
Finally, concrete proof.

ETERNITY

I HAD to write something in the concrete as the big pour was on. Cheers.

B.S., HIGHTON, VIC

MUNGO SAYS: I've been threatened with the concrete boots a few times, so I guess eventually it had to happen and I'd be permanently set in the stuff. Beautiful. I hope in a couple of hundred years some archaeologist digs it up and bungs it in a museum. Then the early part of the 21st century will be known by all as the Mungo Age.



FLOG IT

HYPOTHETICAL question: You're playing golf with someone who claims to have found his ball in the rough, but you know he's lying because you have his ball in your pocket. What do you do?

J.O., GARBUTT EAST, QLD

MUNGO SAYS: Tricky game, golf, what with the hitting and the sticks and the rules and all. I'm not up with all the ins and outs, but it seems to me that if you have his ball in your pocket, you are pretty much in command of the situation and can do whatever you like, up to and including claiming a three can penalty.

Barnsey would be proud.

PLAY SOME CHISEL!

G'DAY Mungo. This is 'Bow River' in southern Canada. Do you think it was here that Barnesy and his mates were inspired to pen the Chisel classic? In any case, as a devoted 80s Aussie bogan, I think it should be declared a sacred site for all to enjoy.

P.L.,MILDURA, VIC

MUNGO SAYS: Yeah, they should sell VB and pies there, and have a life-sized statue of Barnesy chugging vodka out of the bottle. Canada needs a bit of classying up, by the look of it. They should let us take over just this one little bit of it to show 'em how it's done. Canadians – what do they know?

AN OLD duck hunter from Northern Victoria walked into a jewellery store last Friday with a beautiful younger woman.

He told the jeweller he was looking for a special ring for his girlfriend. The jeweller looked through his stock and brought out a $5000 ring.

The man said, "No, I'd like to see something a little more special." The jeweller went to his special stock and brought another ring over. "Here's a stunning ring at only $40,000," the jeweller said.

The lady's eyes sparkled and her whole body trembled with excitement.

Seeing this, the old man said, "We'll take it."

The jeweller asked how payment would be made and the man stated, "By cheque. I'll write it now, you can call the bank Monday to verify and I'll pick the ring up Monday afternoon."

On Monday morning, the jeweller angrily phoned the old man and said, "There's no money in that account."

"I know," said the old man. "But let me tell you about MY GREAT WEEKEND!"

A MAN is in an accident and is placed in an oxygen mask to assist his breathing. His nurse checks on him and asks if there is anything he needs. He says, "Yes, could you check if my testicles are black?"

She thinks it's an odd request but does so, as he looks very nervous. She gras at his testicles, flips them left and right, and even rolls them in her hand for a good look.

After a few seconds she puts the sheet back down and notices the man smiling. She says to him, "No sir, your testicles are fine. Why are you smiling?"

He simply points at the mask, which she removes and he replies, "I just wanted to thank you for that experience, it was wonderful. Are my test results back?"

"Oh?" I replied. "I've got none on because I shit myself in the gents."

THE madam opened the brothel door in Melbourne and saw a rather dignified, well-dressed, good-looking man in his late forties or early fifties.

"May I help you sir?" she asked.

The man replied, "I wan to see Valerie."

"Sir, Valerie is one of our most expensive ladies. Perhaps you would prefer someone else," said the madam.

He replied,"No, I must see Valerie."

Just then, Valerie appeared and announced to the man she charged $5000 a visit.

Without hesitation, the man pulled out five thousand dollars and gave it to Valerie, and they went upstairs. After an hour, the man calmly left.

The next night, the man appeared again, once more demanding to see Valerie.

Valerie explained that no one had ever come back two nights in a row as she was too expensive.

"There are no discounts. The price is still $5000."

Again, the man pulled out the money, gave it to Valerie, and they went upstairs. After an hour, he left.

The following night the man was there yet again. Everyone was astounded that he had come for a third consecutive night, but he paid Valerie and they went upstairs.

After their session, Valerie said to the man, "No one has ever been with me three nights in a row - where are you from?"

The man replied, " Mudgee."

"Really," she said. "I have family in Mudgee."

"I know," the man replied. "Your sister died, and I am her attorney. She asked me to give you your $15,000 inheritance."

THIS WEEK: ALCOHOLICS

Q. WHAT IS AN ALCOHOLICS IDEA OF A BALANCED DIET?
A. A VICTORIA BITTERS IN EACH HAND.

Alcohol is a great disease. It's not bowel cancer, right? You haven't got blood coming out of your arse. It's like, what are the symptoms? Oh, y'know, I get happy.

I'M NOT AN ALCOHOLIC, BECAUSE I ONLY DRINK TWICE A YEAR. WHEN IT'S MY BIRTHDAY, AND WHEN IT'S NOT MY BIRTHDAY.

While proudly showing off his new apartment to friends late one night, the drunk led the way to his bedroom where there was a big brass gong. "What's that big brass gong for?" one of the guests asked. "Why, that's the talking clock," the man replied. "How does it work?" "Watch," the man said, giving it an ear-shattering pound with a hammer. Suddenly, someone on the other side of the wall screamed, "For fuck's sake, cunt, it's 2am in the fucking morning!"

Q. HOW CAN YOU TELL IF AN AMISH BLOKE IS AN ALCOHOLIC?

Dirty Girl!

Amy's a good girl gone bad

NAKED AND NAUGHTY!

"I NEED TO ORGASM EVERY DAY"

AMY may look as sweet and innocent as a basket full of newborn kittens covered in RAINBOWS, but trust us when we say she's NOT what she seems.

This 20-year-old pocket rocket likes sex with guys, girls and sometimes both at the same time. You know what they say – it's the quiet and innocent-looking ones that are usually the FREAKIEST in bed. And in this case the theory is BANG ON.

How long have you been like this, Amy?

"It all started around the time my boobs got big. I used to be a good ballet dancer and getting big boobs kind of changed all that. Training got harder and I started getting distracted by boys. I'm still getting distracted by boys."

So your NORKS are the ones we have to thank?

"I guess. I like my boobs a lot

"I'VE DONE IT WITH GUYS AND GIRLS"

– and guys seem to really be obsessed with them, too. They aren't massive but they have a great shape and are really perky. I hope they stay like this for a long while."

Where's the weirdest place you've got lucky?

"In a lift. It was after a night out and the guy I was with decided we should have a quick fuck. It was scary knowing we could get caught, but that also made it really good. I love doing that sort of thing."

We heard you're thinking about doing some porn, too.

"Yes. I've done lots of photo shoots and I've done a video of me touching myself. I'm not sure I'd ever have sex with a guy on camera. I'll save that for my private life."

Have you ever had a threesome?

"Yes, a few times. I've done it with girls and guys. My favourite was with two guys, though. I love being dominated and being the

PIN-UP 1400

centre of attention. I also really love it when I make guys get hard with just my naked body."

We've cracked a stiffy so hard you could kill fleas with it! What else are you into?

"I've just started doing anal. A lot of my friends don't like it, but I'm a big fan. I think it feels better than the other way sometimes. I've got to have a few drinks first, though."

Is there anything you've said no to?

"Not yet. I'm a bit of a nympho and love experimenting sexually. If I can't find a guy I make sure I've got a vibrator on hand somewhere. I need to orgasm every day. I'm not really into having loving sex, either. I wanna have hard sex – I like it dirty."

Do you ever watch stick flicks?

"If I'm in the mood I'll watch them. They give me ideas about things I'd like to try. People take porn really seriously. I think it's great when it's silly and fun."

What's the best way to pick you up?

"Be direct. Say what you want to do and if I'm into it, you may get lucky. Believe me, it's happened before."

BARBADOS – ISN'T THAT WHERE THAT SINGER CHICK COMES FROM?

You'd be talking about Rihanna, who is indeed from Barbados. In fact, in 2009 she was appointed as an honorary Ambassador of youth and culture for Barbados, by then prime minister.

SO DOES TRISH KNOW HER?

Yeah, we reckon. Barbados being such a tiny joint, pretty much everyone knows everyone else. So Trish and Ri-Ri probably play golf together. They might even be cousins, you never know.

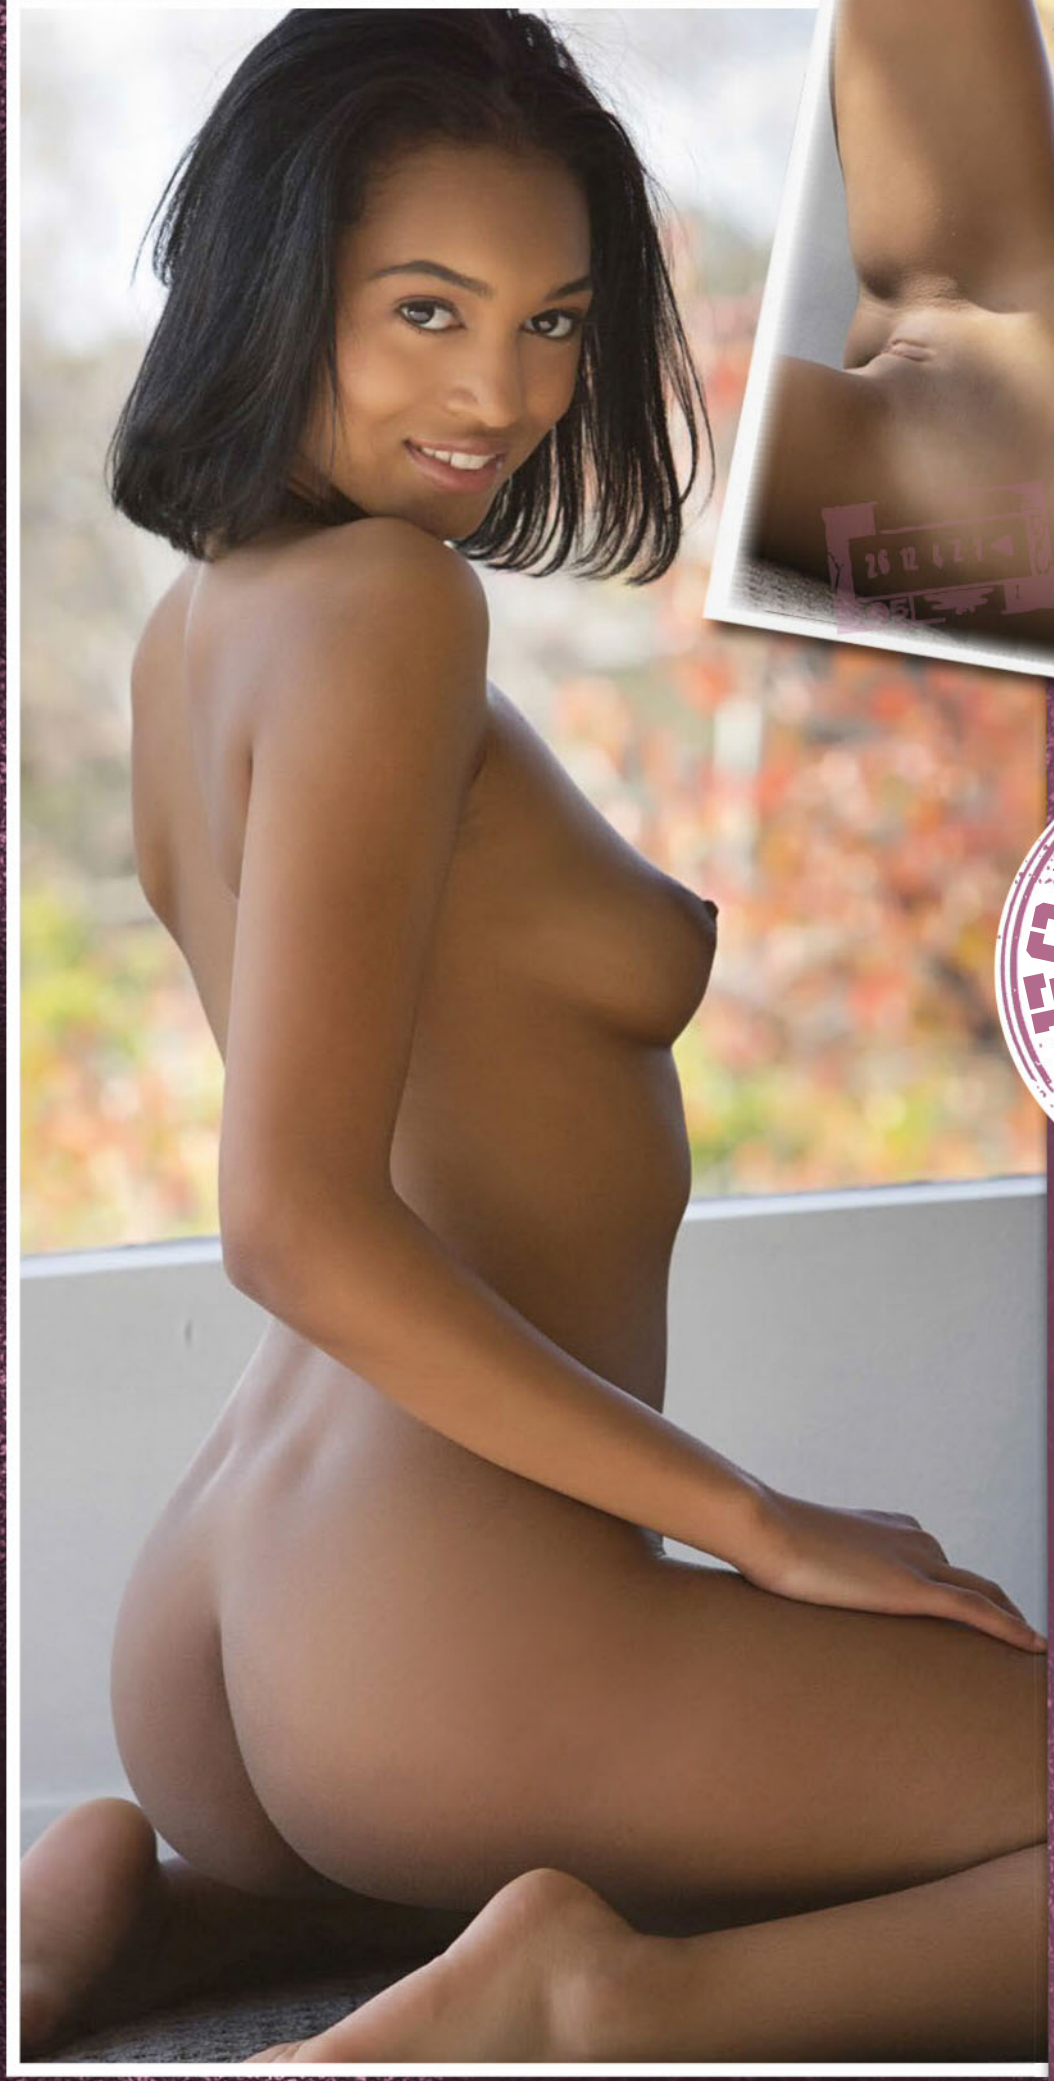
TRISH MIGHT ALSO BE RELATED TO FAMOUS WEST INDIAN TEST CRICKETERS SIR FRANK WORRELL AND SIR GARFIELD SOBERS, WHO ARE BOTH FROM THERE, TOO.

Wouldn't surprise us at all. She looks well fit. A proper little sportswoman, is Trish.

WHAT DOES SHE GET UP TO?

Trisha is studying tourism and hospitality, so one day she can run a hotel and make tourists welcome to the tropical paradise she calls home. In the

FOREIGN PRINCESS



FOREIGN PRINCESS

meantime, however, she doesn't do a bad job representing her country by getting nude for the camera as a model. Not a bad advert for the joint, we reckon.

RUM. TELL US ABBOUT THE RUM.

Oh yeah! Rum is the national drink of Barbados. They practically invented the stuff there, and they churn out some of the finest in the world. Like all good Barbadian girls, Trish loves a couple of slugs of rum before she goes out dancing on a Saturday night.

THAT'D BE SOMETHING TO SEE.

You bet it is! Trisha all rummed up, hot and sweaty and shaking her arse on the dancefloor of some open-air tropical bar under the silvery moon – if that ain't a good reason to visit Barbados we don't know what is.

DOES SHE LIKE AUSSIES?

Put it this way, she shares so much in common with us - rum, cricket, a fondness for nudity – that we'd be very surprised if she didn't give you a big kiss to welcome you to her beaut little nation. ■ Picture

JAMAICAN

Us Horny.

Aria's journey from the West Indies to Oz

STRICTLY speaking, Aria wasn't made IN Australia, but you could definitely make a case for the proposition that Australia MADE HER.

Born in sunny Jamaica, she moved to chilly Toronto at age 14, gradually making her way around the world to settle in Perth three years ago.

Until then, the globe-trotting bombshell had been a fun-loving, but fully-clothed, bartender by way of earning a crust.

Then something WONDERFUL happened, and like a miracle from the BIBLE, she became a professional CLOTHES-TAKER-OFFERER .

"IT'S MY CARIBBEAN SEXUAL PASSION"

Made in JAMAICA

~~Oz~~ Girl

"You might say it was only when I came to Australia that I discovered my inner stripper," she reckons.

You can thank us later. How was the transition from booze slinger to BOOB SLINGER?

"Before my first time I had three shots of tequila for courage and danced like a crazy drunk woman. Anyway, I loved it, and eventually I learned to slow down, and how to do a few moves on the pole."

What do ya like best about your new, UNCLOTHED life?

"I love it when a customer makes eye contact and it's obvious he's really getting into what I'm doing on stage. I love doing lap dances, too. It's so sensual. Sometimes I have to slap a customer's hand for being a naughty boy. But hey, I'm a naughty girl, too. It's my Caribbean sexual passion."

Does your new-found love of

Ex Girl

"I LOVE DOING LAP DANCES"

nudity extend to your own leisure time as well?
"I hate wearing clothes at any time! I'd do everything naked if I could."
Don't let us stop ya. How do you feel about the Aussies' love for a lager or three?
"I was a bartender for quite a few years, so I have a high tolerance for drunks, especially the cute ones. I've given out quite a few free drinks to cute, drunk guys over the years!"
By cute, you don't mean overweight, unshaven, bleary-eyed and a bit surly by any chance?
"No, more your typical Aussie surfer dude – tanned, blonde hair, sparkly blues eyes."
Damn. Oh well...
"Trouble is, I never learned to surf, so I'm still looking for someone to teach me. And once I learn, I'd love to do it in the nude!" ■ Picture

My Best Fuck

TAKE ME HOME, COUNTRY ROADS

I WAS an inner city boy with no knowledge of the bush. All the girls I knew were emo vegan transgendering house DJs who didn't have sex with anybody except if they hated them, so to say I was hard up for a root would be to put it mildly.

Just when I thought I might have to convince one of the emo vegan DJs I was really a woman with lesbian tendencies and if we co-habited we could get a government grant, a mate whose folks were rich and lived in the country said I should come and spend a week on the farm.

It was a bit of a different scene out there – lots of women who rode horses and not only ate meat, but killed and butchered it. The hottest of all of them was my mate's sister, Julie, who had been eyeing me off since I arrived. She was one of those healthy country chicks with a deep tan and thighs that could crush a man's head.

She said she'd teach me how to ride, so she picked a nice old horse for me and off we went, with her giving me tips and showing me what to do.

All of a sudden, she turned off the track and went through this gate into a paddock, Julie quickly jumped off her horse and helped me down from mine, then said 'C'mon, we haven't got forever." She chucked off her boots and pants and dragged me down to the ground.

At first I tried to root her missionary, but she was too strong for me, and she chucked me over and started riding me like she was at the Mt Isa rodeo. She had the kind of vaginal muscle control you only get from years and years of competitive horse shows.

When she'd milked me dry she helped me back on my horse, and we went back to the farmhouse. I never wanna look at an emo vegan DJ again.

BEND IT LIKE BECKHAM

MY MISSUS went off to a yoga retreat, which was fine by me cos I got to stay at home, drink beer, eat steak and watch TV.

I didn't know what to expect when she got back from her trip. I thought she might want to talk to me about it so I kept out of her way for a while, until she trapped me in the bedroom.

"Wanna know what I learned?" she said. "I learned how to slice a banana with my vagina," she smiled. Suddenly I was interested. I like bananas, and I like vaginas. So she scuttered down to the kitchen for a banana, came back and proceeded to show me that with the yoga she could control her smoo muscles so precisely she could cut slices off that yellow fucker.

I figured all that all that talent shouldn't be wasted on a banana, so I wrestled my stiffy out of my trackies and fed it into her. Fuck me if she couldn't grip it like she had a pair of multi-grips in her cunt. She could pretty near play a tune on my skin flute!

Then she got on top of me and showed me how, with the yoga training, she could grab my dick with her smoo muscles and let go again, creating a rippling effect up the old fella, without even moving her hips.

For an encore, she showed me how she could get her knees behind her ears in the position the yoga people called the Gutted Rabbit. The advantage was that if I got an itch anywhere on my body while we were rooting she could scratch it with her big toe.

Now I love yoga – it has opened up a whole new world of rooting for me and my missus.

MY GIRLFRIEND knows I'm nuts over her so she doesn't mind that I spend most of the winter watching footy. She makes a cute little sad face when my team loses, and a happy face when they win, and I get a celebratory root if they win, and a sympathy root if they lose.

This one year my team made it to the NRL grand final and she wanted to make it the perfect day for me. She got my favourite beers in, made popcorn and hot dogs and didn't do or say anything that might disrupt my enjoyment of the game.

The result was the one element she couldn't make perfect for me, so I was a little tense. But as we got deep into the second half and it was pretty clear my team were going to win, I got this huge victory horn. I was all warm and full of love, and my girl knew what she had to do to make it a perfect day.

She stripped off and got down on her hands and knees between me and the TV so I could root her doggy style while cheering my team on to a premiership. She backed up onto my steaming knob and rotated her hips, first one way, then the other, so I had to make the minimum of efforts. It was like her pussy was glued to my shaft. When I reached down for more popcorn, she bent over with me, when I went for a swallow of beer, she arched her back with me. And not once did she block my view of the game.

I didn't quite make it to full time, as I spoofed early and had to be benched, but I came back out for the victory lap. What a root! What a day!

GO HARD! GO HOMIES!

This week...

BEAUT BUM ASK THE HOMIES BEDROOM BABE TOP TITS

ALYSSA
SYDNEY, NSW

"My job is as a high-class escort at the moment," says petite 18-year-old Alyssa. "It's fun because you meet a diverse range of clientele, and hear about their days and stuff."

And see their todgers and credit cards! What's the most UNUSUAL request a customer has made to you? "To lick his armpits and call him professor. Not my favourite, I gotta admit."

What about sexual adventures in funny spots? "I had sex off the path of a nature-reserve thing in the rain, then ran back to the car and had more sex. With a kinky guy."

What else gets you off besides outdoor shenanigans? "I have a secret obsession with socks and candles. And, of course, things that sparkle."

WHAT DO YOU PREFER TO GET YOURSELF OFF: HANDS OR TOYS? "Depending on my mood, sometimes toys. But I also like hands because they don't talk back. Other times, I prefer the dominant touch of another person who's talking dirty to me."

"I prefer the dominant touch"

$200 BEAUT BUM

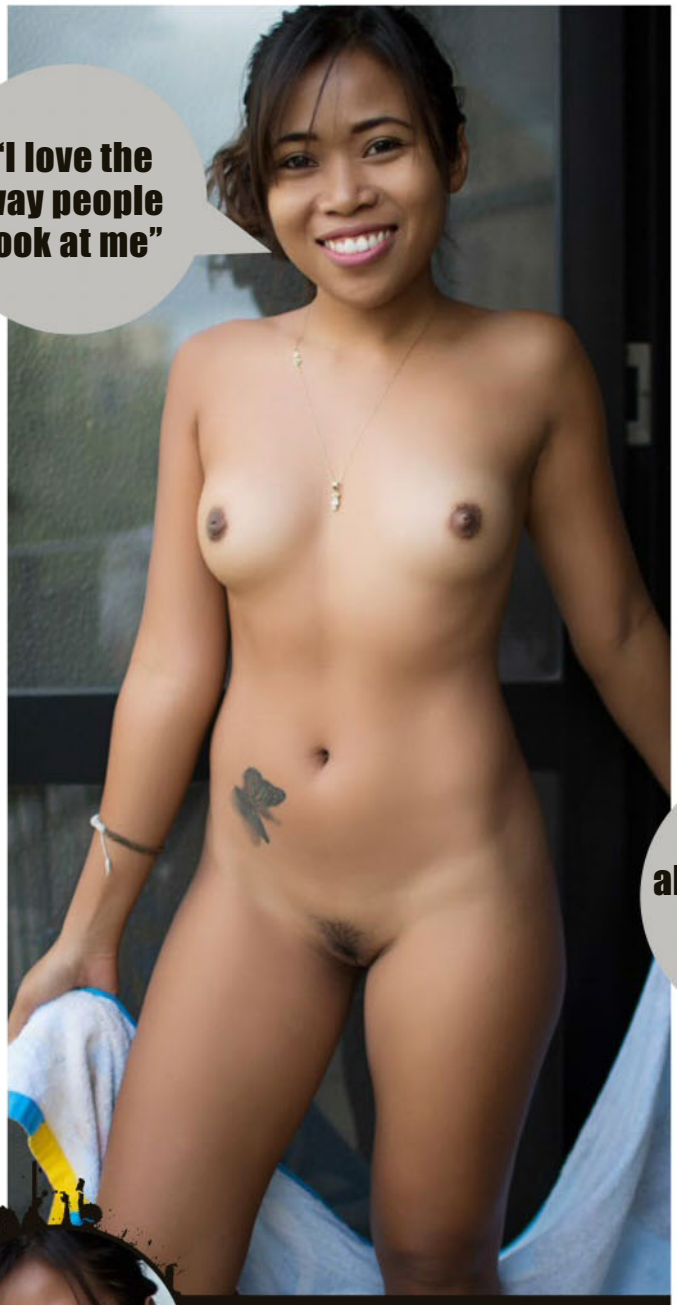
GARNET
ADELAIDE, SA

Twenty-year-old Garnet is a real Aussie trouper, not letting misfortune get in her way. ***What's the funniest thing that's happened to you in the bedroom?*** "I fell off the bed." ***How did that occur? Earthquake?*** "Well, he was picking me up to move into another position, and I fell off." ***Did you climb back on and finish the deed, or was the moment over from that point?*** "I got back into it." ***That kind of can-do attitude is what makes this country great! Most unusual place you've had sex?*** "In a park." ***Did you make someone's day by getting caught in the act?*** "I did not get caught." ***You weren't bitten on your pert arse by BASTARD ANTS?*** "No, I didn't get bitten by ants, either." ***Let that be a lesson to youse, readers: parklands are a much safer rooting environment than beds, on which all sorts of unforeseen accidents can occur.***

WHAT DO YOU PREFER TO GET YOURSELF OFF: HANDS OR TOYS?

"I prefer toys."

Home Girls



"I love the way people look at me"

AMANDA
CHIPPENDALE, NSW

Indonesia's gift to Sydney, 27-year-old Amanda is used to your drooling stares, so feel free to keep on perving. "I like wearing my cute dress around in public with my heels. I love the way people look at me." ***Do you like the idea of people looking at you – minus that pesky dress – in the magazine?*** "It depends on the photograph. Some people might think it's body art and maybe others will get jealous and want my body. But some people might think I'm a girl only selling her body for money." ***Nah, we reckon most folks realise that Home Girls pose for us out of pride in their bodies.*** "Some people will always think negatively about others, no matter what. I enjoy doing photo shoots." ***And we SURE AS HELL enjoy seeing those photo shoots. And that's all that really matters, mate.*** **WHAT DO YOU PREFER TO GET YOURSELF OFF: HANDS OR TOYS?** "Toys, because they suit with what I'm imagining at the time. And they never fail me."

BRITTANY
SYDNEY, NSW

As well as sharing glimpses at their (previously) private parts, we love our homies to share details of their fave hobbies. Slender 23-year-old Brittany did just that: "I love to cook, especially baking." ***So you're a baker?*** "No, I'm working as an escort." ***Still, you do make things rise up and get warmer. Tell us about a risqué romp from your past.*** "After I graduated, I was dared to run naked through my old college. I was super drunk at the time." ***How did this lap of honour go?*** "I was very embarrassed." ***With a body like that? There's no reason why you shoulda been. Any witnesses to the nudie run?*** "Everyone saw me." ***Wow, that must have made a lot of fellas' nights. When they cop a squiz at this snap, they're bound to find a few pleasant memories FLOODING back.*** **WHAT DO YOU PREFER TO GET YOURSELF OFF: HANDS OR TOYS?** "Toys, definitely. A vibrator has always worked better than my hands."

"A vibe has always worked better than my hands"

CHLOE
GOLD COAST, QLD

If you've had an ODD DAY at work, spare a thought for webcam model Chloe, 29. ***What does it feel like playing with yourself knowing people are watching?*** "I love it. It feels naughty and wrong. Sometimes, I have more than 400 guys watching at once."

Do you see them? "I can if the guy turns his cam on. It's hot watching them get off." ***What's the strangest thing you've seen?*** "Adult babies, guys putting veggies up their arse, cock cages...the list goes on. Some stuff's fucked up, but as long as it's legal, it's OK."

Ever see couples fucking while they watch your show? "That has happened once or twice, but I'm mainly a secret hobby for the guys. Most are married and over 50."

WHAT DO YOU PREFER TO GET YOURSELF OFF: HANDS OR TOYS? "I love feeling my own pussy on my fingers – it's more sensual. But when I really need to get off quick, then it's the Hitachi. And when I need to be totally filled and fucked, I use a dick dildo."

"I think you and your big boobs look awesome. Are you as turned on as I am seeing your photo? And are you single?"
CHAN, FREMANTLE, WA

CHLOE SAYS: ***"I am single. I'm not so much turned on when I pose nude, but I do love what I've got and am confident in flaunting it."***

MONTE
TOWNSVILLE, QLD

$30 ASK THE HOMIES

"When is your anal DVD coming out? And do you need a hard cock for any forthcoming productions?"
RONNIE, BATHURST, NSW

MONTE SAYS: ***"I'm nearly finished my DVD, which will be available from my online store. I'm trying to think of a name for my first movie."***

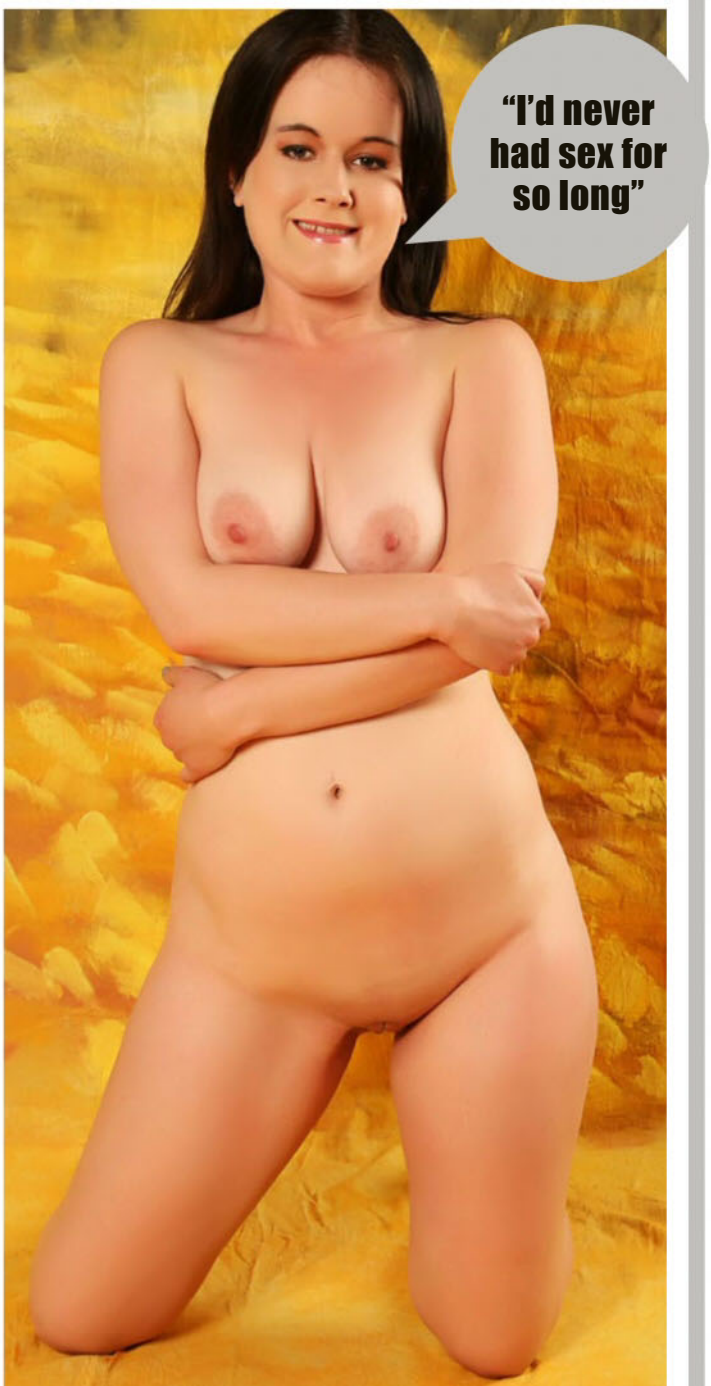
ELLE
O'SULLIVAN BEACH, SA

"I recently met a guy," reveals 25-year-old Elle. ***How are you celebrating this new-found love and lust?*** "We had an outrageous nine-hour sex session a couple of weeks ago." ***Crivens! How did you last nine hours?*** "I'm not sure." ***Where did this marathon of shagging take place?*** "It was in my room." ***With all that time, you must have been through PLENTY of positions. What on earth did youse get up to?*** "Me on top, then him... I've no idea. I'd never had sex for so long. It was awesome." ***Did you have to consult your porno library to give you fresh ideas?*** "No, we didn't need it." ***Have you ever made your own XXX flick?*** "I've thought about it, but not yet. Maybe soon." ***What sort of porn do you most enjoy watching? Do you check out vids with your stamina-afflicted partner?*** "I used to watch it with the ex, but I don't watch it anymore."

WHAT DO YOU PREFER TO GET YOURSELF OFF: HANDS OR TOYS? "I would have to say my hands."



ISABELLA

BONDI, NSW

Isabella is a 31-year-old Italian traveller who reckons she knows the secret to why women from her part of the world are so damn sexy. "It is because we have the passion inside us." ***What do you like about the local lads?*** "Australian men have great bodies and they are very active and manly." ***And what do you dislike about them?*** "Once again, they are less passionate than Italians in general. Sometimes they seem more interested in beer." ***Speaking of which, an ice-cold Peroni would go down well right now. Er, sorry... What do you miss about Italy?*** "The happy hour. It's the aperitif before dinner: everywhere you go to drink they give you amazing food for free." ***And what'll you miss about Oz when you return home?*** "The blue sky, the beaches, the people, everything! I don't want to leave, actually. Australia's too beautiful." ***Which is why you fit right in, Isabella.*** **WHAT DO YOU PREFER TO GET YOURSELF OFF: HANDS OR TOYS?** "I like toys better – they're bigger than my hand."

"I had a four-way once"

DISPLAYCAT
SEAFORD HEIGHTS, SA

"I like being nude all of the time," reckons 21-year-old – and oddly named – Displaycat. ***You're in the right place, then.*** "Being in *The Picture* makes me feel special." ***As in you get a short bus to a different school?*** "I just love to pose." ***Why?*** "I feel sexy." ***Works for us. Name some UNUSUAL LOCATIONS where you've made lurve.*** "I've done it in a car, on a bus, up against a wall, on the beach and in a tree. Outside in the street was my favourite." ***Have you been sprung in the act?*** "Yes, in Melbourne." ***Ever had sex with more than one person at the one time?*** "I had a four-way once." ***Who were the other three parties?*** "A girl I knew, her boyfriend and a Japanese-Aussie guy. We were very drunk. In fact, what made it great was red wine." ***Booze works its wonders yet again. What was going on in this four-way ROOTFEST?*** "There was lots of biting, slapping and screaming." **WHAT DO YOU PREFER TO GET YOURSELF OFF: HANDS OR TOYS?** "Hands."

Tell us one benefit of switching to horticulture.*** "I like that I can tan while I'm working now." ***Hell, yeah. And hopefully we're talking all-over tanning...*** "I don't think my boss would be too happy if I did that." ***Nonsense, we reckon it would give him bulk thrills. What activities DO you do in the nuddy?*** "I always cook mi goreng noodles for my man naked because he loves to bend me over the stove." ***Aren't you worried about hot oil spitting on your tender bits?*** "That doesn't faze me." **WHAT DO YOU PREFER TO GET YOURSELF OFF: HANDS OR TOYS?** "Hands for sure."

XOE
PALMERSTON, NT

"I love how fast they go, and the feeling you get when you're on one," says 20-year-old Xoe, who is talking about the Ducati under her fantastic fundament. ***Ever ridden a bike nekkid?*** "I haven't, but I definitely want to." ***Have you been nekkid in any form of transport, babe?*** "Only a car. I was naked because I was having sex – and it was good." ***What made it good? Other than being sex. With you.*** "Being crammed together in a small space with our hot, sweaty bodies constantly on one another." ***Did you get caught?*** "I wouldn't say caught. Seen by people maybe, but not disturbed." ***You didn't accidentally impale your vadge on the gearstick?*** "No, nothing that interesting happened." **WHAT DO YOU PREFER TO GET YOURSELF OFF: HANDS OR TOYS?** "I like to use my hands – just because I know what I like, how I like it, and where I like it. They satisfy every need I have."

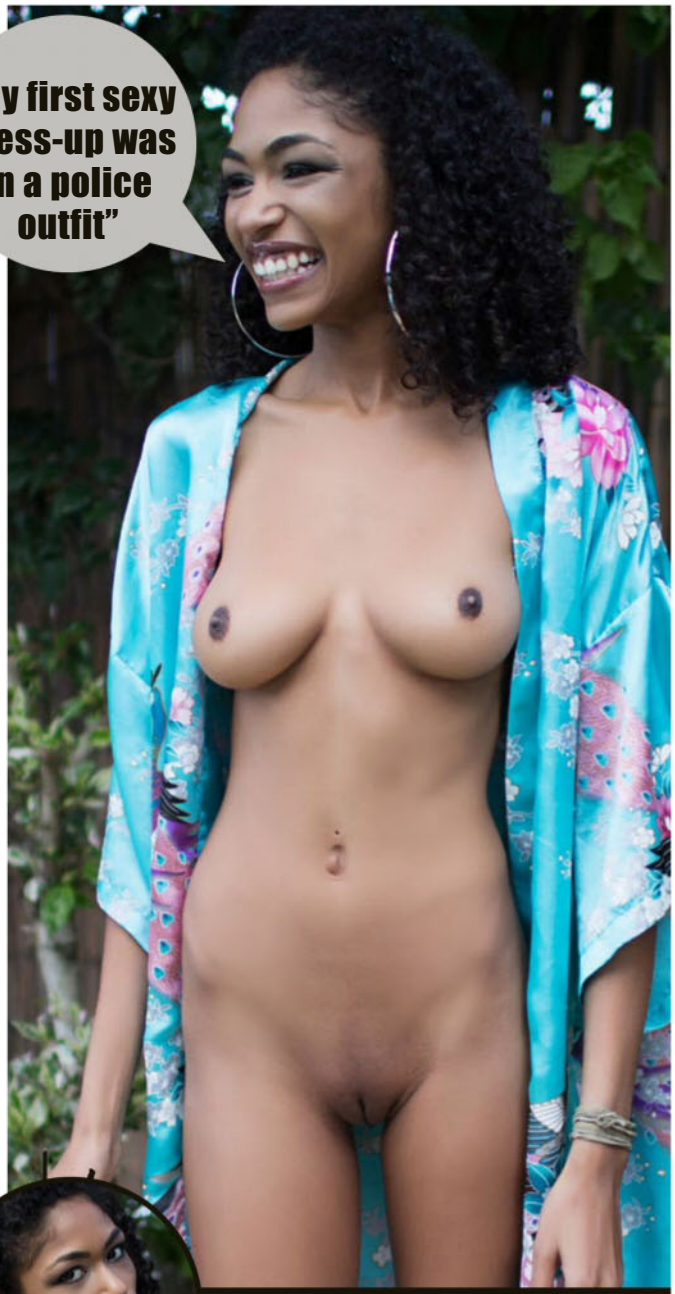
XOE'S FAVOURITE VEHICLES TO ROOT ON

A ute: "Because I think it would be nice getting down and dirty under the stars."

A motorbike: "That just seems really hot."

A boat: "Because who wouldn't want to have sex on a boat? And I reckon the rocking of the waves would make it feel better."



"My first sexy dress-up was in a police outfit"

ANIA

FORTITUDE VALLEY, QLD

Keep your feet off the pedals and hide your pot stash, 'cos this lovely 23-year-old is about to join the dark side. "I'm currently training in the police academy." ***That's hardly good news. There must be something positive to take from this. Do you find police uniforms sexy?*** "Yes, I think the police outfits are hot as. My first sexy dress-up was in a police outfit." ***What other forms of self-improvement are you into?*** "I'm also learning pole dancing." ***That sounds less socially unacceptable.*** "I love it. It makes me feel sexy and sassy." ***Does it make your firm body even harder?*** "Pole dancing keeps my body toned and strong." ***Might be handy when it comes to crime-fighting. Just remember your friends here at*** **The Picture** ***and go easy if you find us doing anything untoward.*** **WHAT DO YOU PREFER TO GET YOURSELF OFF: HANDS OR TOYS?** "I like both. I like to start things off with my hands, then finish with toys."

$200 TOP TITS

LILITHE
SURFERS PARADISE, QLD

"Nerd alert!" warns well-boobed 24-year-old Lilithe. ***Um, you're actually a cast member of a 1990s American sitcom?*** "No, I work at JB Hi-Fi." ***We can think of far worse places.*** "Yes. I work in the games section." ***There are a few games we wouldn't mind playing with those funbags. Not sure your store manager would approve of them taking place during work hours, though. What makes you smile?*** "I love tattoos, piercings, games and anime." ***That is a bit nerdy, Lil.*** "And girls." ***Better. Hopefully boys get a look in, too.*** "They do. Something outrageously sexy I've done is gone to an adult shop and bought heaps of toys for my boyfriend to use on me. When he got home, I was waiting, naked, with them all laid out." ***We bet he got a good tour of the games section that night.***

WHAT DO YOU PREFER TO GET YOURSELF OFF: HANDS OR TOYS?

"Oh, definitely hands. You can move your fingers exactly how you like, whereas toys don't bend as such."

"The best is reverse cowgirl"

DYLAN & VIOLET

NEWCASTLE, NSW

"When we were younger, we had a mutual friend who held a get-together and drinks," says 24-year-old Violet when asked about how she met Dylan, 25. "That was the night we met, and Dylan hit on me pretty much straight away. I was a tad shy at first but warmed up to her very quickly." ***And how has this warming shown itself?***
Violet: "Dylan loves my titties and I love her stunning legs."
Is she your typical girl?
Violet: "I'm not really experienced in that department. I've only had a threesome. Although Dylan WAS my first kiss." ***Which sekshual possies get you both off when you hook up with guys?***
Dylan: "The best is reverse cowgirl. I love to ride the cock."
Violet: "I like being on top. You can dominate if you want."
Thank you for sharing all of this important information with us. We have to say it's NOICE to meet two people so in lust with each other!

WHAT DO YOU PREFER TO GET YOURSELF OFF: HANDS OR TOYS?

Dylan: "Hands all the way. I don't wanna depend on a toy."
Violet: "It depends on my mood. Sometimes hands."

"My girlfriends and I have had drunken sex romps"

RUBY
GOSFORD, NSW

IF DIAMONDS are a girl's best friend, then Ruby is their naughty, boozy and HORNY cousin. "I'm kind of the black sheep among my family and friends," the flirty 27-year-old admits. "I like to lead all of the other young women astray!" ***Astray to where – a Cold Chisel reunion gig?*** "To the pubs and clubs, to have lots of alcohol, drugs and sex!" ***Do you always get all three?*** "Most of the time. But as long as my friends and I have fun, it's a successful night." ***Do you ever GET FRISKY with your mates?*** "My girlfriends and I have had a few drunken sex romps. Usually just a make-out session with some sneaky hands." ***And just how sneaky do those hands get?*** "Oh, they've definitely flicked a few beans in their time. I also call it polishing the peanut. I think I got that from reading your magazine." ***Hey, WE make the jokes around here.***

WHAT DO YOU PREFER TO GET YOURSELF OFF: HANDS OR TOYS? "I'm definitely more of a hands kind of girl. It just feels so much more real… Plus, I've never really owned any good toys."

GO FACT YOURSELF!

THIS ISSUE: ANIMALS OFF CHOPS

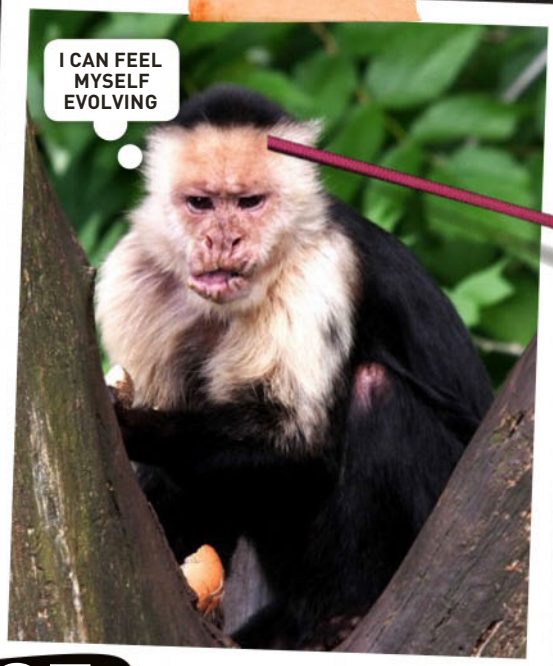
01. Bohemian waxwing birds eat fermented Rowan Berries, which get them so pissed they sometimes fly into the sides of buildings. They are probably partial to a KEBAB, too.

02. Dolphins have been filmed acting very peculiar after chewing on the highly toxic puffer fish. Some dolphins were even recorded sharing it with their mates.

03. Horses get higher than Sydney house prices if they get stuck into locoweed, known in Australia as swainsonia. They probably listen to a bit of Pink Floyd, too.

04. Bees catch a serious buzz from fermented nectar and can be seen flying in wonky patterns after copping a snootful.

Shutterstock



05. Capuchin monkeys trip out of their FURRY LITTLE MINDS by rubbing hallucinogenic millipedes over their bodies. It does nothing for us, but.

06. Reindeer in northern Europe get BLOTTO on magic mushrooms. Locals have even been known to drink a wonky deer's urine to get a secondary hit.

07. Wallabies down in Tassie have become a bloody nuisance by breaking down fences around medicinal opium farms and getting MAGGOTTED!

08. South American jaguars get their kicks by eating leaves from the caapi vine. Then they probably hallucinate that they're bank clerks from Melbourne.

09. In the arctic, mountain goats get shitfaced on hallucinogenic lichen which grows on rocks. They'll wear their teeth down to the gums trying to scrape it off.
